About Us:

Minnehaha United Methodist Church is a thriving multi-generational, multicultural Christian community devoted to social justice and personal spiritual growth. The congregation is both mission- and worship-focused. In addition to its worship, education, and social activities, the church supports local mission activities, including a food shelf and a monthly food distribution program. The church also supports a variety of national and international relief, education, and development projects.

A Reconciling Congregation:

Minnehaha United Methodist Church opens our doors to all God's people. We will strive to offer unconditional love and acceptance to all persons, regardless of race, sexual orientation or faith history. We work to eliminate prejudice and discriminatory practices within ourselves and within our community. -adopted 2006

Our Mission:

We seek, we serve, we celebrate, we carry our Christian faith into our community and the world. We provide a caring gathering place to worship God and to grow spiritually. -reconfirmed 2011

Minnehaha Children, Youth, and Family Ministries

Happy New Year. After the season of Advent, and talk of waiting, anticipation, preparing; after the focus on hope, peace, joy, and love - of celebrating God's light here in the world - it certainly seems like the time to get to work.

So, as we think of the new year: what can we do together, with our children, to bring hope to our community? What actions will help bring peace and joy to the world? How might we let love be a transforming power in our lives? What will our impact be on the world?

At the end of January, all are invited to head up to Paynesville, MN - just outside of St. Cloud - to Lake Koronis Assembly Grounds. This year, our theme is Footprints. We'll consider what our legacy

(individual and communal) has been thus far, and what course we'd like to set for the future. And, of course, we'll play broomball, drink lots of hot chocolate, do puzzles, eat, visit, sing, and more.

We'll do our best throughout the month, throughout the year, to offer opportunities for families to play and grow together, for people to reflect and seek, for us to bring hope, peace, joy, and love to the world. We hope you'll join us.

a food mission of minnehaha united methodist church

One out of six Minnesotans goes hungry on a regular basis. Our free food giveaway once a month (on the fourth Saturday of the month) is a source of food relied upon by many, and it happens through volunteers who come each month. Please join us this month on Saturday, January 26. You can volunteer anytime between 6:30 and 10:30 a.m. We unload the trucks starting at 7, serve the food at 9:00, and are usually done cleaning up by 10:30. Join us, and bring a friend!

Audrey Damon would like to thank the MUMC UMW. She especially enjoyed visiting with Annette and Sarah and the cookies for shut-ins were a special treat.

Snow Policy

Just a reminder about our policy for cancellations due to weather. For programmatic activities, if Minneapolis Public Schools has closed, then assume the church is also closed. You may choose to hold your program anyway, but it is up to you to contact all the participants and let them know that. Conversely, if Minneapolis Public Schools did not close, but you want to cancel your event, be sure to let the office and all the participants know. Please also let Dean Ammerman know so he can put something on the website, and let Tanya Ketcham know for Facebook postings. If we have bad weather for a Sunday morning, Becky will make a decision by 7:00 am on Sunday morning about whether worship is still on. Be aware that Becky is fairly loathe to cancel worship, so this is very unlikely unless there is an ice storm or a blizzard. Again, we will also try to make sure information about cancelling worship is on our website and on Facebook. You can also just check with Becky by calling her cell phone (in the directory).

New Treasurer

Our Treasurer of 3 years, Dennis Feller, has left us for a new job opportunity with a charitable organization he has strong connections with. While we are sad to see him go, the Staff Parish Relations Committee is delighted to announce that Cecilia Clements has taken his place. They have spent the month of December in training and transition, and the reins are now in Cecilia's hands.

Cecilia Clements brings more than 30 years of extensive experience in all areas of Accounting, Finance and Administration and a proven track record of accuracy, audit and process improvement. Her areas of expertise include accounting, finance, investments, and personal and business income taxes. She has honed accounting and business management skills at several Fortune 100 companies including Pillsbury, Cenex/Land O Lakes, Ameriprise and H&R Block as well as several smaller non-profit companies and churches. An avid volunteer, she avidly gives of her time with The Minneapolis / Saint Paul Chapter of the Links Inc. and Minneapolis North High Athletics where she is an Assistant Track Coach, volleyball and basketball announcer, and game ticket booth lead. She currently heads Clements and Associates which is an accounting, tax, and consulting firm that works to strengthen the financial lifeline of the clients.

Time for Renewal

It's easy to get caught up in the daily demands of life. In our busyness, we can lose track of ourselves, and of what God is calling us to be and to do. Take an opportunity to slow down, to rest in silence and music, and to feed your soul. On the second Friday of each month at 7:00 p.m. from October through May, we offer a Taize service, a time of sanctuary, a time for prayer, a time for community, and a time for silence. As we sing and pray, our hearts are opened so that we may hear God speaking to us, and our souls are fed so that we may be about God's work in the world. Please join us this month on Jan. 11 for a time of renewal.

Food Ministries

MUMC has a number of food ministries, and we support two of them financially. MinneHarvest is a monthly free food giveaway, and our Food Shelf is a weekly food shelf for residents in our neighborhood, supported by us, Lake Nokomis Lutheran, and St. James Episcopal on the Parkway. Both of these ministries need regular financial support in order for them to continue to provide food to those in need. Please consider making a regular contribution to one or both of these ministries; you can use the handy envelopes provided in the pews, or you can write a check and indicate either MinneHarvest or Food Shelf on the memo line.

If you would like to volunteer your time, the Food Shelf and MinneHarvest have plenty of spaces for volunteers. We can also use volunteers for two of our other food ministries, Meals on Wheels and serving a meal at Simpson Housing Services. You can contact Rachel Larson to volunteer for Meals on Wheels, and Maureen Trepp for the next SHS meal date.

First Friday Films

Do you find yourself shouting advice to characters during a movie? Nudging your neighbor with an elbow during critical scenes? Wishing you had someone to talk to about the movie you just watched? Then you are in luck! Come to the church on the first Friday of the month at 7:00 and settle in to watch a movie with fellow Minnehaha-ians. Bring your own beverage and snacks, and feel free to bring a friend as well. After the credits roll, you'll have an opportunity to share your "aha" moments, the things you liked or disliked, or anything else the movie prompted in you.

On Jan. 4 (7:00 in room 210) we'll be watching *The Leisure Seeker*, a movie about a runaway couple who go on an unforgettable journey in the faithful old RV they call The Leisure Seeker.

Prayer Scarves for General Conference

As many of you are aware, our denomination's world-wide gathering will be in Minneapolis on May 5-15, 2020. In preparation, the churches in Minnesota would like to provide each of the delegates and attendees with a special prayer scarf. We will need ten thousand of these, so every congregation is invited to make as many as they can. If you are a knitter or a crocheter, here are the guidelines:

The yarn should be a solid royal purple (think Vikings or Prince), not lavender. Acrylic material, please, something that can be washed.

The pattern can be of your own choosing, but the finished product should be 6-7" wide and at least 60" long (we want people to be able to wrap these around their necks to stay warm in a drafty room). Sample patterns are available at www.minnesotaumc.org/lydiaproject

Each scarf should be placed in a 1 gallon ziploc bag, and we will collect them at the church (you can drop them outside Becky's office). They will also be brought to Annual Conference in June of 2019.

We will be given tags, and you are encouraged to take a tag for every scarf you make, put your name and our church on it, and attach it to the scarf with a piece of purple yarn.

I also encourage you to pray as you knit or crochet, in the spirit of a prayer scarf. You can pray for the person who will eventually receive the scarf, pray for the deliberations of the delegates during the 2020 General Conference, pray for our denomination and the decisions we make, and pray for the future of the church in general, that we might all be more attuned to where the Spirit of God is leading us.

Thank you!!

Neighbors

Neighbors can cut either way. A few years ago on Halloween night, my neighbor two doors down blew a fuse while making dinner for her daughter. Her husband was out of the country, so between trick or treaters, I dashed back and forth between our houses, taking her dinner to finish cooking in my oven, getting a flashlight to peer in her fuse box in her basement, and then bringing her daughter over to my house so she could call out an electrician. At the time, both she and her daughter were pretty stressed about the whole thing, so we couldn't laugh about it in the moment, but as I ran back and forth between our houses with hot mitts, then back with a pizza, then back with a flashlight, and back again with her daughter in tow, I did wonder what the neighbor between us thought about all the activity passing their front window! We also had a neighbor across the street with a very unhappy barking dog, and a couple who argued loudly in the street on a regular basis. I've heard stories about people in apartment buildings and condos who play their music too loudly, lift heavy weights, or stomp around at all hours of the night. Neighbors also share extra food, compassion, and do welfare checks. All of us have neighbors, and all of us are neighbors. We use the metaphor of neighbor to talk about not just our physical neighbors, but also about how we are part of global community. As a neighbor, how are you doing? Do you see yourself as part of a larger whole? Do you share food, compassion, maybe even shovel the sidewalk beyond your property line? I grew up watching Mr. Roger's Neighborhood, and with the documentary this last year about the life of Fred Rogers, I've been thinking again about how God is calling us to be neighbors in our global community. I don't know that I have all the answers to this, but I invite you to think with me about how we might be good neighbors both as individuals and as a congregation.

In Joy,

Becky
