

The Events of the 2019 General Conference

As you may be aware, the United Methodist Church has just voted to add even more LGBTQ exclusionary language into our rules. Here at Minnehaha, we are still the church. We are still a Reconciling Congregation, living out the promise of God's love to everyone, including the LGBTQ community. What becomes of our denomination and our place in it in the future is yet to see, but we at Minnehaha are still church. Pastor Becky will preach about the events of General Conference in her sermon on Sunday. In addition, here are some other times for information and conversation:

- Pastor Becky will be in her office for anyone who wants to stop in on Thursday, February 28 from 12:00-6:00.
- Instead of our First Friday Film, we will have a time of dialogue on Friday, March 1 from 7:00-9:00.
- During the Family Book Club on Saturday from 9:30-11:30, Pastor Becky will be available for conversation.
