About Us:

Minnehaha United Methodist Church is a thriving multi-generational, multicultural Christian community devoted to social justice and personal spiritual growth. The congregation is both mission- and worship-focused. In addition to its worship, education, and social activities, the church supports local mission activities, including a food shelf and a monthly food distribution program. The church also supports a variety of national and international relief, education, and development projects.

A Reconciling Congregation:

Minnehaha United Methodist Church opens our doors to all God's people. We will strive to offer unconditional love and acceptance to all persons, regardless of race, sexual orientation or faith history. We work to eliminate prejudice and discriminatory practices within ourselves and within our community. -adopted 2006

Our Mission:

We seek, we serve, we celebrate, we carry our Christian faith into our community and the world. We provide a caring gathering place to worship God and to grow spiritually. -reconfirmed 2011

September Reflections

MINNEHAHA KIDS

We've been together in person leaving chalk drawings & blowing bubbles, sharing blessings for the community on the garden trellis, dancing and learning taiko drumming. We've gathered via Zoom and Google Classroom for story time, check-in's, scripture, parent groups and songs. We've delighted to see one another's masked faces and marveled at how people have grown. We're constantly seeking new ways to connect and be community: sharing love and support as we navigate a fall like no other.

MINNEHAHA YOUTH

We've been together on masked bike rides throughout Minneapolis, and have met in small groups together. We've been together online: crafting, cooking, sharing highs and lows, film-making, and being there for one another. We've started Confirmation via zoom, and celebrated Confirmation Sunday in person! We're constantly striving to find meaningful avenues to grow our relationships with each other and with God; to be church together and for our community, and offer hope in this time of uncertainties.

*If you'd like to be added to our
children and/or youth mailing list (where zoom links and more are shared),
please contact education@minnehaha.org.*

Worship in October

Worship continues in October – online only. We're starting with online communion on Oct. 4, and then continuing to hear from some other members on where their faith has led them. If you would like to be the acolyte or read scripture for one of our online services, just let Jenia or Becky know. All you need is the ability to record yourself and then send the file to a shared google drive, and we can walk you through how to do that.

On November 1, we will be celebrating our saints, those in our community who have died in the last year. We'd like pictures for each of those people, so if you have a picture of Dolores Aldous, Verna Moon, Karen Parkos, Kathryn Pearson, or Bonnie Reisdorph, please send that to Becky ASAP.

Are You Getting the Enews?

Are you getting the weekly enews? This comes to your email about once a week, and is generally the announcements for the coming week. It also comes on Sunday morning, with links to Sunday worship, our Zoom coffee hour, and the links to all of our zoom rooms for faith formation. We don't publish our zoom links on the website, so you'll need this email to get "into" the various rooms. If you want to be added to the list, just email the office, office@minnehaha.org and ask to be added to our enews list.

Calling For Your Candle-Lighting Video

We probably can't pass the candle light on Christmas Eve this year, but that doesn't mean we can't do it digitally! We are looking for your videos – pick up a candle from the church (we'll have them outside in a labeled container). Set your camera on landscape mode (sideways), and start with yourself holding the candle, unlit, in front

of you. Take the unlit candle in your left hand and move it to the left, out of sight of the camera. Have someone light it, then move the candle back into the screen and pass it to your right, off screen again. We'll collect these videos and stitch them together so that we are able to pass the candlelight to one another on Christmas Eve.

Yes, we know Christmas Eve is months away. But, in the world of recording and editing, it is just around the corner, so the sooner we can get your recording, the easier it will be! For a link to the google drive where we are collecting these, contact Becky or Jenia.

The Only Constant is Change

I looked back through my files, and the last “official” note from the pastor I wrote was for the March newsletter. It’s just a good reminder that the only thing that is constant is change. And, how things have changed since then! Some things are the same, though. Autumn still comes around, followed by winter, then spring . . . the birds are migrating south, the leaves on the trees are changing color, and it is getting too cold to huddle on the church lawn at 9:00 in the morning. So, we will return to online-only worship for the next few months. It has been a joy to get to see some of you in person, even if from a distance. Because one of those things that hasn’t changed is that we are still church. Yes, it looks and feels a little different now than it did at the beginning of March, but that has always been true. We are always changing – new people join us, and others move away, we try a different curriculum, committee members and leaders change – and we are always changing because God is calling us forward. As we learn new things, and we have different experiences, as we make new friends, God calls us into the new. As we embrace that new, let us remember that God is in the change, and that God will be just as present in the new as God was in the past. Let us continue to be the church, wherever that leads us.

In Joy,

Becky
