Children in Worship

We always welcome children in worship, and we assume that they may make noise, wriggle, and even run around. If you would like childcare during worship, we do have care for children 0-4 from 9-10 a.m. on our 2nd floor. The ushers can direct you, if you would like help finding the room. In addition, we have activity bags for children at the back of the sanctuary, and we also have rocking chairs at the back for nursing or rocking a baby. Rocking chairs are also available across from the nursery on the 2nd floor.

Tenebrae

A Tenebrae service gets its name from the Latin, meaning "shadows." In a Tenebrae service, the readings tell the story of the last day in Jesus' life. They are read without introduction or conclusion, and after each reading a candle is extinguished. In this liturgical year, the focus is on the gospel of Matthew, so the readings are all taken from that gospel. The last pillar candle represents Jesus, and although the candle is removed at the end of the service, the light is never extinguished. The loud noise at the end represents the death of Jesus. After the Christ candle has been removed and you hear a loud noise, you are invited to remain seated in silence for as long as you want. The congregation leaves in silence after the choir sings "Stay With Me."
