United Women in Faith

United
Women
in Faith

Sunday, May 11 (Mother's Day) was the UWF's annual Sunday where we share the names of individuals who have served our Minnehaha UMC community. There were two recipients who well deserve that recognition. Their names are added to the long list of previous service award recipients along with receiving a service award pin. Read over the list sometime in the library.

Craig Johnson, a very long time member of Minnehaha, has always been active, served on several committees over the years and can be found nearly every Sunday service in the back of the sanctuary, getting things ready and then clearing things out at the end of the service. He even waters our plants! He has been a faithful dinner server at Simpson shelter along with participating in so many other events: dishwasher for UWF served meals in the Fellowship Hall, assistant to his wife, Char Johnson, when needed and always reliable. You have earned this service award, Craig!

A second person has brought so much talent to music and children's programs at Minnehaha. She has co-directed 11 children's spring musicals which have entertained us and taught music and

performance to our children. Her beautiful voice has moved many Minnehaha members singing during services and fund-raising shows, and has graced us with her acting skills in such shows as *The Secret Garden* and *Seussical*. Throughout the years she has contributed her ideas and work on the worship committee and children's council. She has taught Sunday school, been a VBS teacher, and been a beloved mentor to many. She has a welcoming spirit, a contagious laugh and makes people feel like they are the most amazing, talented individual they know. We want to acknowledge **Jenn Schroeder** for all that she's given to Minnehaha Church. Written by Jenia Strom who delivered her Service pin.

We appreciate Becky sharing a great message on the UWF Sunday along with great music from a woman composer and the information shared by Ashley Trepp about our newest mission: Water Course.

The ways we have spent the money we have earned thru fundraising are listed below for 2024:

Your generosity is shared with these following missions:

Simpson Shelter Meals: Feeding those who are experiencing homelessness. \$1,803

UWF District/MN Conference/National Division: For meetings, newsletters, Mission U, Reading Programs, Global Mission Projects including UMCOR. \$1,795

Water Course Counseling Center: Providing community and school-based mental health services. \$500

Emma Norton Services: Providing transformational housing for women and families on their journey of recovery. \$500

Heifer Project: Providing healthy animals and training to help families overcome hunger. \$260

Vivie Senior Living (previously Walker Place): Providing funds for the special needs of residents. \$250

Clare Housing: Providing affordable supportive housing for people affected by HIV. \$250

Haiti Solar Oven Project: Providing solar ovens for cooking and water pasteurization. \$200

Meals On Wheels: Providing home-delivered meals to people in our South Mpls community. \$200

Blessing of the Bikes

Sunday, June 8 will be a special service to bless our bikes and bike helmets! All are invited to ride your bike to church or you can bring your bike helmet to be blessed.

Blessing of the Backpacks

All are invited to bring your backpack, work bag, tote, etc. to church for a special blessing for the new school year. We will also bless the backpacks given to the children of families at MinneHarvest food-giveaway.

Blessing of the Animals

Animals play an important role in many of our lives. If you have a special pet, we invite you to bring it to our annual animal blessing service on Sunday, August 24. We'll gather inside if it is raining, but either way, there will be a time in the worship service to have your pet blessed. Whether you have a horse or a hamster, bring them to church. Just make sure it's in a crate or container or on leash of some kind. If you don't have a pet, but wish you did, come anyway and bring a stuffed animal if you'd like. If your pet doesn't like crowds, other animals, or can't really get out, bring a picture and we'll bless that. You may also wish to recognize the death of a pet in this way. And, invite your friends to bring their pets as well; we welcome everyone.

Minnehaha Playgroup

Playgroup meets on Thursdays from 9:30-11:30 am. Throughout the summer, Playgroup will meet at various local parks. Check for each week's location on their Facebook page "Minnehaha Playgroup". **Rainsite is the church nursery and playroom*

Big Rummage Sale a Great Success!!

Switching the annual rummage sale to June from September has worked out quite well as You all had plenty of rummage, or “treasures” as Pete Johnson would say. Sharing the sale’s profits with the church treasury has been great and having it on Friday-Sunday gave us more days to get ready in the Fellowship Hall. This sale would not have happened without the generous support of the following volunteers: Annette Meier, Sarah Hicks, Char Johnson, Julie Darlington, Paula Barton, Margaret Rawson, David Hougen, Linda Duncan, Becky Nyseth, Jane Moren, Susan Delattre, Jenny Ammerman, Kim & Chuck Kanuit, Hassan Barzani, Mike Schow, Sarah Selvig, Gene Thompson, Jeff Sandager, Beth Minehart, Sharon Shimomura, Lil Grothe, Diane Strobel, Rachel McLain, Katie Hughes, Mary Vrabel, Gail Minehart, Scott Gruenhagen, Kip Kirkpatrick, Geri Cook, Becca & Sylvie Fehr, Katie Klug and others whose names I have missed. You made this happen! There will be a financial report in the next newsletter.

Please continue to care for others, women and children of the world and yourself. Take pleasure in giving; share your joys and worries with God and live in love and peace. Your UWF President, Maureen Trepp

School Supply Drive

Thanks to the wonderful joy of buying school supplies of a very generous member of Minnehaha we are off to a good start on our annual school supply drive.

Every year we provide backpacks filled with school supplies for 120 to 180 children of the families that attend the Minnehaha Harvest. With the help of members and friends of our church we can make the beginning of the school year special for these children.

Some of the ways to help with this mission

- ★ Buy school supplies and bring them to church
- ★ Designate an offering for school supplies in the Sunday offering
- ★ Donate cash to be used for school supplies

Backpacks will be handed out at the Aug 23rd MinneHarvest.

Reconciling United Methodists

Twin Cities PRIDE will take place June 28 and 29. THANK YOU for your past participation in the MN Reconciling Congregations booth in Loring Park! Now we need your help to make this year's PRIDE another resounding success. Our presence and witness as United Methodists is especially important given all that is happening in the name of "Christianity", "protecting children" and trying to eliminate the presence & history of LGBTQIA+ and BIPOC persons!

Booth in Loring Park

Once again we will have a booth in Loring Park on Saturday from 10 a.m. to 7 p.m. and Sunday from 10 a.m. to 6 p.m. By signing up, you help let PRIDE attendees know that there is a place for them in United Methodist congregations and help build positive interactions by giving them a rainbow peace medallion. Jobs are available for both introverts and extroverts.

Sign up for your shift online at: ttsu.me/hnhbvz

Parade along Hennepin Avenue

The Parade will be on Hennepin Avenue. It begins at 11 a.m. on Sunday (participants need to be in place prior to this time) and will go from 3rd & Hennepin to Loring Park. This is a great way to be part of the PRIDE celebration! All ages are welcome to participate. Don Prestly is coordinating the Parade preparations. Please contact Don at don.prestly@gmail.com with questions. More information will be sent out closer to PRIDE.

**THANK YOU for your help to make this another successful
TC PRIDE!**

MinneHarvest

Our free food give-away once a month is a source of food relied upon by many, and it happens through volunteers who come each month. We gather outside on the 4th Saturday of each month. You can volunteer anytime between 6:30 and 10:30 a.m. We start setting up around 7:00, serve the food starting around 8:00, and are usually done cleaning up by 10:30. Join us on June 28, July 26, and August 23 for all or any portion of that time, dress appropriately for the weather, and bring a friend!

“A Summer of Pickles, Pesto, and Pastoring”

(Our pastor, Becky Sechrist, is on renewal leave this summer through a Lilly Clergy Renewal Grant, and she will return on Sept. 2. We are happy to have Rev. Dr. Nancy Victorin-Vangerud, a retired United Methodist pastor – filling in for Becky.)

Hi Minnehaha friends! Our paths have crossed in friendly ways over the years, so I am looking forward to serving this summer with pastoral coverage for Pastor Becky’s renewal leave. This is actually the third summer I’ve served in this way—first at Eden Prairie UMC,

then Lake Harriet UMC, and now I get to share ministry with you and Rev. Jean Elliott!

My younger son Will was confirmed at Minnehaha when Rev. Cooper Wiggen was in residence, and I recall my older son played in a marimba trio one Sunday morning too, the lively “Stubernic” piece. I have visited for preaching, and then some of you have been Mahle Lecture regulars at Hamline University, where I served for 14 years as chaplain and director of the Wesley Center for Spirituality, Service and Social Justice.

I am excited for Becky’s opportunity with spiritual renewal through practices of camping, forest walking, birding, and enjoying her family and friends. My spiritual practices in summer remain pretty urban with veggie gardening and composting: berry, cherry and apple picking; and pickles and pesto making (it’s amazing what one can use to make pesto—carrot greens, turnip greens, lamb’s quarters, even dandelions too). I consider these spiritual practices because Jesus centered his ministry around tables and nourishing food. Caring for the connection of creation and community—including our creaturely kin within soil, water and air—calls out to us over and over again from scripture.

So for the first 6 weeks of this Minnehaha summer, I plan to draw from a resource curated by the UM Creation Justice worship team, following the lectionary scriptures, entitled “Believing into Christ” (with the emphasis on “into”—an active, embodied process). Our main focus will be selections from the book of Revelation, which may seem counterintuitive for eco-reflection, but by interpreting the text more as a graphic novel or political comic strip, we’ll see John’s earthly concern for transformation, rather than a wild and crazy offworld venture. Let’s try reading Revelation more as speculative fiction, instead of literal prediction!

So as we head into summertime with all of its uncertainty, anxiety and chaos, let’s also practice *together*, through song, table, play and prayer as we seek to share in the fierce and compassionate love of God for all creation. See you!

...we’ll see John’s earthly concern for transformation, rather than a wild and crazy offworld venture.

Get to know Nancy!
